Rooms

The Basics

Disney's All-Star Movies Resort holds a **special place in my heart** as it was one of the first that I stayed at when I was a girl. Inside the room, you will find a small refrigerator to use during your stay. I always love to have some water and small sodas in the room to enjoy while getting ready for the day, so this is a great feature.

You'll love the recently renovated rooms; they've been **upgraded with new floors, bedding, and fixtures.**

Disney's All-Star Movies Resort used to be **my son's favorite Disney resort** because he loved all of the Toy Story movies. It is so much fun to walk the red carpet as you enter this playful resort.

The Walt Disney World **bus transportation system will be your ticket to traveling from your resort to other locations.** To get from Disney's All-Star Movies Resort to Disney Springs, you'll simply hop on a bus directly to Disney Springs. It doesn't get much easier than that! Disney Springs bus service is offered at your resort, just like for the theme parks.

I like to think about resort theme and what will most delight my own kids. If you have any little ones who would marvel at being surrounded with larger than life characters like 101 Dalmatians, I would check out Disney's All-Star Movies Resort **...little movie-goers will squeal with delight.**
