Tips from the Panel

Tips

These **idyllic campsites** will make you feel like you have escaped Orlando and stepped into the American frontier. They can accommodate everything from small tents to large RVs. You'll love being surrounded by hundreds of animals, charming trails, great pools, and amazing entertainment.

The cabin interiors have **all the conveniences of a home kitchen**, complete with a refrigerator, dishwasher, convection/microwave oven, and two countertop burners. Many guests here like to prepare home-cooked meals (my friend has even cooked entire Thanksgiving meals during her stays)!

There are **so many fun things to see and do** but it is all pretty spread out... I would highly recommend renting a golf cart while you stay there. You can rent directly from the campground and it's a really simple process.

You can **fill out a grocery list in advance, and your cabin will be stocked with provisions by 5:00 PM on your arrival day**. The Settlement and Meadow Trading Posts located at the campgrounds have basic grocery supplies. There are a variety of burgers and hot dogs, perfect for those nights when you want to fire up the outdoor grill!

Horseback riding at Walt Disney World is just so magical. You'll check-in for your ride at the Tri-Circle-D Ranch. The barn is brand new and just gorgeous. You might even see some of Cinderella's ponies that reside there. They are spectacular!
